
Astana NiCd Battery Energy Storage Container

Will Uzbekistan develop a battery energy storage system?

UAE-based renewable energy company Masdar has expanded the scale of an agreement with the government of Uzbekistan to develop battery energy storage systems (BESS). A joint development agreement (JDA) was signed between the pair in May 2023 for 2GW of wind energy and 500MWh of battery storage, as reported by Energy-Storage.news at the time.

Does Masdar have a battery energy storage system in Uzbekistan?
