Will Uzbekistan fund a 250-megawatt solar photovoltaic plant?

TASHKENT, May 21, 2024 -- The World Bank Group, Abu Dhabi Future Energy Company PJSC (Masdar), and the Government of Uzbekistan have signed a financial package to fund a 250-megawatt (MW) solar photovoltaic plant with a 63-MW battery energy storage system (BESS).

How will Uzbekistan improve its energy security?

"This project will enhance Uzbekistan's energy security through the use of innovative solutions and technologies," noted Marco Mantovanelli, World Bank Country Manager for Uzbekistan.

Who will sell electricity to in Uzbekistan?

The project company is committed to selling electricity to the state-owned National Electric Grid of Uzbekistan JSC under a 25-year Power Purchase Agreement for the project, including a 10-year operating term for the BESS component, signed by these two entities.

Who is implementing the solar power plant project?

The solar power plant project will be implemented through a project company Nur Bukhara Solar PV LLC FE owned by Masdar, which is responsible for developing, financing, building, owning, operating, and maintaining the solar plant and BESS.

Astana, Kazakhstan's rapidly growing capital, faces unique energy challenges. With extreme temperature swings (-40°C winters to +35°C summers) and ambitious renewable energy ...

ASTANA -- Uzbek President Shavkat Mirziyoyev inaugurated the Nur Bukhara project, the country's first utility-scale integrated solar and battery project, developed by Abu ...

Uzbekistan has taken a major step in its renewable energy ambitions with the inauguration of the Nur Bukhara project, the country's first utility-scale integrated solar and ...

The government has inaugurated the country's first utility-scale integrated solar and battery project and advanced plans for its largest standalone energy storage facility

Uzbekistan activates its first utility scale integrated solar and battery facility, advancing its 2030 goal of 54 percent renewable power.

The President of the Republic of Uzbekistan, His Excellency Shavkat Mirziyoyev, inaugurated the Nur Bukhara project, the country's first utility-scale integrated solar and ...
