## Athens outdoor power brand new field

What's going on with the new Panathinaikos FC stadium in Athens?

Athens Mayor Haris Doukas announced on Friday a significant milestone in the construction of the new Panathinaikos FC stadium in the Votanikos section of Athens. The Ministry of Environment and Energy's approval of a funding proposal marks a crucial step forward for the project, according to Doukas.

How will a major project reshape Athens?

Several projects in the pipeline in Athens, from the northern suburbs to the Athenian Riviera, aim to revamp the Greek capital by offering new parks, office spaces, sports facilities, bicycle paths, and cultural venues. It is hoped that the major projects will dramatically reshape the urban landscape of Athens by the end of the decade. Votanikos

How will the redevelopment of the old Athens Airport change the landscape?

The EUR8 billion private redevelopment of the old Athens airport at Hellenikon, promises to dramatically transform the landscape along the south coast of the city. The construction of the 200-meter skyscraper, which is being developed at Hellenikon, is progressing rapidly and on schedule.

Who designed Panathinaikos' new stadium at Votanikos?

In August the building permit for Panathinaikos' new stadium at Votanikos was issued.

Designed by Greece's A&S Architects, the stadium will contain 40,000 seats. An artist's impression of Panathinaikos' new stadium at Votanikos. Credit: A&S Architects National Archaeological Museum
