This self resetting circuit breaker is available in multiple amps, letting shoppers choose the current capacity they need. This lets us use it in various applications - from light loads like indicator lights to heavy loads like radio transmitters, headlights, and GPS systems.

What is reset Breakers?

In Among Us Airship Map, "Reset Breakers" is a new task in the Electrical category. It's considered a long task, but it takes place in a single location rather than several across the map. To complete this task, players must pull a lever on a set of seven breakers in the order of the numbers that appear at the top of the switch. This will reset the breakers.
