## Copenhagen Square outdoor power brand

What makes Copenhill unique?

Despite its primary role as a waste-to-energy plant, CopenHill's design embraces leisure and activity, emphasizing the ways infrastructure can support a vibrant urban lifestyle. At the heart of CopenHill's allure is its rooftop ski slope.

What is Copenhill?

CopenHill is a 41,000m<sup>2</sup> waste-to-energy plant with an urban recreation center and environmental education hub, turning social infrastructure into an architectural landmark. Kalasatama Electricity Substation and Suvilahti Graffiti Fence /Virkkunen & Co Arch...

Why did SLA design Copenhill?

Danish landscape architects SLA designed the rooftop greenery, which doubles as a natural filter for air pollutants and a solution for stormwater runoff, thereby enriching the building's environmental contributions. The design of CopenHill is a study in juxtaposition, where function and form converge.

Who are Nordic outdoor brands?

The company was founded in 2014 in Tampere, Finland, and is nowadays a member of the Scandinavian Outdoor Group (which features brands such as Peak Performance, Hestra, and Nordisk).
