## EU brand new container wholesale

What services does a shipping container company offer?

With a primary business focus on shipping containers, we offer a wide range of services including cross-border container leasing, container wholesale, depot, and multimodal transport worldwide. Our company is dedicated to supplying top-quality new and used shipping containers in Asia, Europe, and North and South Americas.

Are used shipping containers CSC compliant?

Most of our used shipping containers have at least a year of CSC compliance left in them and will be supplied with the associated certificates. That way your second-hand container is ready for safe shipping and transport. Buying or renting a shipping container?

What is a shipping container used for?

Shipping containers are built to withstand the elements as well as shipping and handling. Wind and watertight, these containers will get your cargo where you need it, whether that's by train, plane, truck or ship. Our containers are ISO and CSC certified, and we will happily show you their pedigree. What do you use shipping containers for?

Why should you buy a new shipping container?

Our new shipping containers are constructed to the highest standards, ensuring reliable transportation of cargo and storage. Additionally, all our used units undergo thorough inspection and maintenance for durability.
