
Kyrgyzstan Solar Container Fixed Type Agreement

Will Kyrgyzstan implement two solar power plant projects?

As part of the International Energy Investment Forum in Vienna, the Ministry of Energy and the Ministry of Economy and Commerce of Kyrgyzstan signed an agreement with the International Finance Corporation (IFC) on implementation of two solar power plant projects. The press service of the Ministry of Economy reported.

What is Kyrgyzstan's solar energy project?

The solar energy project aligns with Kyrgyzstan's Energy Sector Development Strategy, which aims to develop 1,500 MW of renewable energy by 2035. This strategy, supported by the World Bank, seeks to diversify the energy sector, increase domestic electricity generation, and reduce greenhouse gas emissions.
