## Off-grid solar system supplier

Who provides 100kW off grid 3 phase solar system for residential use?

We supply 100kw off grid 3 phase solar system for residential use. JENSYS is one of the leading off grid solar system manufacturers and suppliers in China, also supporting wholesale service. Be free to buy high quality off grid solar system at competitive price from our factory.

What is an off grid solar kit?

Experience energy independence with our off grid solar kit, delivering seamless integration of solar panels, combiners, batteries, solar controllers and inverters for reliable power generation in off grid scenarios.

Why should you buy an off grid Solar System?

One-stop complete off grid solar system for sale. Special customized system to meet the needs of home owners to achieve 7\*24 hours of power supply. Achieving energy autonomy is an investment with a high rate of return. Your factories, businesses, and farms will have 0 electricity bills for decades.

Why should you choose an off-grid solar system kit?

All off-grid solar system kits are pre-built and tested in-house for quality assurance and speedy installation onsite. 1. Solar power generation is safe and reliable and will not be impacted by the energy crisis or unstable fuel market. 2. Maximising your renewable energy sources will minimise ongoing generator costs.
