
Outdoor power box charging

Why should you bring power outside?

All the power you need. Right where you need it. Bring safe, permanent power outside with outdoor ground boxes and charging stations. Promote longer stays, better productivity and more positive experiences at higher education campuses, offices, parks, patios and more.

What is an outdoor rooftop box?

Perfect for food trucks, events and maintenance equipment. Charge up in the great outdoors. Give people an easy way to recharge phones and other USB-powered devices with a permanent, stylish USB charging station. The Outdoor Rooftop Box is a revolutionary product that provides convenient power access on raised rooftop decks without extension cords.

Can you charge a power station with an alternator?

Yes, you can integrate with your alternator to charge power stations on the go. Goal Zero offers scalable and versatile emergency backup power options including portable power stations that you can carry from room to room or take on camping trips.
