Why should you buy a 40ft container in South-Africa?

Our 40ft Containers is perfect for personal, commercial, and industrial use, making them a top choice across South Africa. Our customer-centric process makes buying a 40ft Containers in South Africa simple and stress-free.

Are shipping containers still made in South Africa?

There used to be two factories in South Africa that made new containers, but unfortunately didn't survive. This has been a world-wide phenomenon with most shipping containers now manufactured in China. Secondhand containers are a hot commodity when they reach the end of their shipping life.

Why are secondhand shipping containers so popular in South Africa?

This has been a world-wide phenomenon with most shipping containers now manufactured in China. Secondhand containers are a hot commodity when they reach the end of their shipping life. In South Africa there is an informal grading system which attempts to categorise these containers according to their cosmetic appearance.
