
Special-shaped solar panel custom manufacturers

What shapes can custom small solar panels be?

At Voltaic, we manufacture custom and standard small solar panels and while most are rectangular, we have experience designing and deploying a full range of interesting shapes and sizes. Most standard small solar panels are rectangular in shape because they are easier to manufacture and offer the most efficient use of space.

How to get custom solar panels?

Let us get your custom solar panels according to the following steps. We are custom made solar panel manufacturer with our own production facilities located in Shenzhen China. Get started with your own design solar panels right now. 1. Solar Panel Type 2. Cell Type 3. Custom Size 4. Electrical Requirement 5. Shapes D. Others 6. Custom Outputs D.
