Where can I Buy Circuit breakers in Canada?

We will get back to you very quickly, send us a message for a quote! A trusted Circuit Breakers Supplier in Canada is offering air circuit breakers, bus plugs, and MCC buckets. Buy electrical components at RS Breakers.

What is a circuit breaker for a winch?

A circuit breaker for a winch is a device that protects the electrical system from overload. When power comes into the circuit, it automatically goes to each device in turn. It shuts off if it senses an overload. This protects the winch and any other devices connected to it from getting damaged in case of an electrical emergency.

Who is Canada Breakers?

Canada Breakers is a family run, Canadian-owned and operated business providing factory new, new surplus and used circuit breakers across several brands.
